## **"Chingford Masonic Study Circle"**

Wednesday, 21 April 2010

**To: All Secretaries/Scribes and Equivalents of units meeting at the Chingford Masonic Hall**

Dear Sir and Brother

The PGM, RW Bro John Webb is the President of the Southchurch Masonic Study Circle, which meets at the Saxon Hall, Southend on Sea, and at their last meeting in December 2009, at which the PGM attended, it was his wish that other Masonic Study Groups be formed within the Province of Essex to promote the interest of Masonic History and artefacts.

Masonic Research is much more than the history of the Craft, and Members of a Masonic Study Circle would be encouraged to present Talks and Demonstrations, which proves to be the mainstay of our meetings. There is a wealth and depth of knowledge that is in our midst.

It is proposed to form a "Chingford Masonic Study Circle", so why not become a member ? even if you just wish to be part of the audience and no more, as long as you derive something of interest at the meetings. The "Chingford Masonic Study Circle" aim is to encourage and support Masonic Education. With this idea, the study circle's can visit each other and exchange Masonic lectures and promote interest of our Masonic Heritage.

We hope that everyone will consider this suggestion by the PGM and it is not proposed to be a circle for "intellectual heavy weights", but for those brethren who take a keen interest in our Masonic Heritage, and have a flair of presenting a talk, which will form part of the Agenda at each regular meeting.

I have already received some positive interest in this project, with names already being submitted to become members, please contact me as follows should you wish to join and participate. I will then write to you all with some dates for the inaugural meeting.

Telephone: Chingford Masonic Hall: 020 8524 5142

Or email: [chingfordmh@btconnect.com](mailto:chingfordmh@btconnect.com)

We look forward to hearing from you.

Yours sincerely and fraternally
